Last updated: Feb 23, 2018

The AlgoHero Program allows registered AlgoMerchant users to earn promotional coupon credits ("AlgoMerchant Credit") toward future purchases or payments for AlgoMerchant products and services by referring friends to AlgoMerchant.

To participate, AlgoMerchant Users must agree to these terms outlined below.

Country of Validity

The AlgoHero Program is only valid for users residing in Singapore or Malaysia.

How to Earn Referral AlgoMerchant Credit

AlgoMerchant Users can earn AlgoMerchant Credit towards future AlgoMerchant purchases or payments when a referred friend clicks on their referral link to create a valid AlgoMerchant account that complies with our [Terms of Service](#); and subsequently earn further credit when the referred friend completes a **Qualifying Purchase(s)** on AlgoMerchant.

The referring AlgoMerchant User will be credited with the AlgoMerchant Credit amount described in the referral invitation or accompanying promotional materials.

Qualifying Purchase

A qualifying purchase is defined as any purchase, or cumulative purchases on the AlgoMerchant platform exceeding SGD\$180 in total value. An example is as follows:

Item A (\$300) => Qualifies

Item B (\$100) + Item C (\$100) = \$200 => Qualifies

Redeeming AlgoMerchant Credit

AlgoMerchant Credit may only be redeemed via the AlgoMerchant Site, Application and Services. AlgoMerchant Credit will automatically appear as AlgoMerchant Credit on the checkout page, and must be used on a reservation within one year from the date they are issued. After one year, the AlgoMerchant Credit will expire. AlgoMerchant Credit are coupons issued for promotional purposes; they have no cash value and may not be transferred or exchanged for cash.

AlgoMerchant Credit may not be earned by creating multiple AlgoMerchant Accounts. AlgoMerchant Credit accrued in separate AlgoMerchant accounts may not be combined into one AlgoMerchant account.

If for any reason you believe that there is a discrepancy regarding your balance of AlgoMerchant Credit, please contact us. AlgoMerchant may require you to submit additional information in order to make a determination regarding your balance. All decisions regarding your balance will be final and at AlgoMerchant's sole discretion.

You are responsible for any Tax consequences, if any, that may result from your redemption or use of AlgoMerchant Credit.

Sharing Referral Links

Referrals should only be used for personal and non-commercial purposes, and only shared with personal connections that will appreciate receiving these invitations. Referral links should not be published or distributed where there is no reasonable basis for believing that all or most of the recipients are personal friends (such as coupon websites, publicly accessed sites or digital ads).

Referred Friends

Referred friends that have signed up using a valid referral link will also receive AlgoMerchant Credit indicated in the referral invitation or accompanying promotional materials that can be used on their next payment or purchase on AlgoMerchant.

Multiple Referrals

A referred friend may only use one referral link. If a referred friend receives referral links from multiple AlgoMerchant Users, only the corresponding AlgoMerchant User of the referral link used by the referred friend will receive AlgoMerchant Credit.

Severability

If any provision in these terms are held to be invalid, void, or unenforceable, such provision (or the part of it that is making it invalid, void or unenforceable) will be struck and not affect the validity of and enforceability of the remaining provisions.

Termination and Changes

AlgoMerchant may suspend or terminate the Referral Program or a user's ability to participate in the Referral Program at any time for any reason.

We reserve the right to suspend accounts or remove AlgoMerchant Credit if we notice any activity that we believe is abusive, fraudulent, or in violation of the AlgoMerchant Terms of Service. We reserve the right to review and investigate all referral activities and to suspend accounts or modify referrals in our sole discretion as deemed fair and appropriate.

The scope, variety, and type of services and products that you may obtain by redeeming AlgoMerchant Credit can change at any time.

Updates to the Terms

We can update these terms at any time without prior notice. If we modify these terms, we will post the modification on the AlgoMerchant.com website, applications, or services, which are effective upon posting. Continued participation in the Referral Program after any modification shall constitute consent to such modification.
